

Summer Placements at UHMB

Summer Placements at University Hospitals of Morecambe Bay NHS Foundation Trust is based at the **Royal Lancaster Infirmary**, and are usually one week. Placements at Furness General Hospital can be arranged on request.

Summer students undertake a rotational programme covering all aspects of hospital pharmacy. This will include ward and clinical pharmacy, aseptic services and clinical trials.

Students will be supported with a workbook and case study to complete during their placement.

Applications are required to be submitted by the end of December for that summer and applicants should submit a CV and covering letter to the email below. Applications are open to pharmacy students from all year groups, although priority will be given to third year applicants.
